UP, UP AND AWAY

■ Melbourne-born James Hogan (pictured centre) was surrounded by mates on Monday night at a special night at the Park Hyatt to mark the expansion to Melbourne by Ethihad Airlines of which he is CEO. Ethihad will launch daily services from here to London and Paris in March next year, flying via Abu Dhabi. James Hogan is flanked (from left) by Stephen Cropley, Peter Pearce, then Melbourne Observer editor Ash Long, Mark Cooper and Garry Dumbrell. More photos on Page 4. Photo by Nicole Gleeson
